

TALANTA VOCATIONAL INSTITUTE

MASTER VOCATIONAL TRAINING INSTITUTE POLICY MANUAL

50 CORE INSTITUTIONAL POLICIES

Proposed Policy Framework for Registration, Accreditation, Governance, Training, Assessment, Student Affairs, Staff Management, Safety, Quality Assurance, Digital Learning and Institutional Development

IMPORTANT LEGAL FOUNDATION

The policies below should be read together with:

1. **The National Council for Technical and Vocational Education and Training Act, Cap. 129 R.E. 2023**, particularly sections **5, 6, 9, 11 and 12**. Section 5 gives NACTVET functions including registration and accreditation, registration of teachers and technicians, quality improvement, academic standards, awards, quality maintenance, policy development, recognition of prior learning, regulation of short and tailor-made programmes and related measures.
2. **NACTVET Registration of Technical Institutions Regulations, 2001**, particularly Regulations **3–13**, concerning registration, application, evaluation, inspection and recommendations.
3. **NACTVET Examinations Regulations, 2004**, including Regulations **3–22**, covering examination dates, applications, fees, registration, examinable subjects, attendance, candidates with disabilities, practical examinations, examination centres, confidentiality, security, paper setting and moderation.
4. **National Technical Awards Regulations, 2005**, particularly Regulations **3–8**, including the national awards structure and NTA levels.
5. **NACTVET Guideline for Students Admission, 2020**, governing admission and handling of student/examination information.
6. **Tanzania TVET Standards, 2025**, which emphasize governance, resources, quality assurance, programme accreditation, staff competence, labour-market relevance, institutional self-evaluation and continuous improvement.
7. **NACTVET Guidelines for Certification in TVET, 2026**, particularly requirements relating to completion of approved programmes, assessment verification, institutional compliance, learner records, RPL and authentic certification.
8. **NACTVET Guideline for Accreditation of Online Programmes offered by TVET Institutions, 2026**, where Talanta offers online or blended programmes.
9. **Education and Training Policy, 2014, 2023 Edition**, issued by the Ministry responsible for education. The Ministry has also published national digital education guidelines for TVET colleges and universities.

10. **Universities Act, Cap. 346 R.E. 2023**, and TCU Standards and Guidelines for University Education in Tanzania, particularly as **benchmarking instruments**, not as the primary regulatory law governing Talanta. TCU's standards cover governance, quality assurance, accreditation, programme development, market surveys, complaints, professional-body involvement, student/staff ratios, gender equity and institutional quality improvement.
